## **Steps for Safely Showing Properties | COVID-19**

- Please ensure you are pre-approved before scheduling a tour and view the outside of the property first and the inside only if still interested.
- Do NOT tour homes in person if you feel ill in any way.
- Remove shoes outside of the home.
- Please sanitize your hands before and after entering.
- Please refrain from touching surfaces. Please do not open refrigerators or kitchen cabinets, please do not touch kitchen countertops.
- Do not touch cabinet or door handles whenever possible **RESTROOM POLICY:** Please do NOT use the restroom while touring.
- No more than two people viewing at a time. Please continue to practice social distancing while inside the home.
- Please limit your time in the home to 20 minutes.

**The owners may or may not be able to vacate during showings but will allow privacy for your showing.**
